ABOUT ME

I am a senior Industrial Engineering student. I have successfully completed my internships and delivered individual work aimed at improving company efficiency. To be versatile, I had the opportunity to observe and work with various departments and teams within companies. I am known for my skills in project management, budget analysis, supply chain management, inventory management, and data analytics.

PROFESSIONAL EXPERIENCE

► TNC Group-SCA Social | Project Management Intern | Istanbul, Turkey | 09.2024 – 10.2024

It is a program in which we are assigned to a project to see our abilities after receiving training from industry managers.

► Meteksan Defence | Project Management Intern | Ankara, Turkey | 07.2024 – 08.2024

I took on the tasks of creating project schedules and monitoring project progress using project management software. I collected, analysed, and reported supply chain data. I participated in the processes of identifying, analysing, and managing project risks. I assisted in analysing project costs and preparing budgets. With the projects I carried out, I reduced the analysis time of engineers by 40%.

► Aselsannet | Production Planning Intern | Ankara, Turkey | 08.2024 – 09.2024

I identified bottlenecks in the production process. I participated in material requirements planning (MRP) and production scheduling activities. I supported stock optimization and inventory management processes. I participated in lean manufacturing and Kaizen methodology implementations. I managed the creation and tracking of purchase orders.

► Newpark Hotel | Sales and Marketing Stuff | Ankara, Turkey | 01.2021 – 09.2021

I handled the sales processes for guest groups targeted by advertisements. I was responsible for the optimization and reporting of advertisements.

► Denizbank | Finance Intern | Istanbul, Turkey | 11.2020 – 12.2020

I completed an internship in a finance position where I worked on investment and risk analysis. I also gained insight into the overall operations of the bank through general observations and participation in various activities.

EDUCATION

Hacettepe University | Industrial Engineering | 2020 – 2025

ACM Society – Head of R&D | 2022-2023

PROJECTS

Consolidation Study for Material Requirements Analysis, **Meteksan Defence**

Excel Automation for Budget Analysis in Project Management, **Meteksan Defence**

Machine Learning Model (Python) for Risk Analysis in Project Management, **Hacettepe University (2024)**

Automations for Inventory Management, **Aselsannet**

Excel Automations for Line Planning, **Aselsannet**

CERTIFICATIONS

Business Continuity, PMI (2024)

Basics of Disciplined Agile™ PMI (2024)

Generative AI for Project Managers, PMI (2024)

Forward Program, McKinsey (2024)

SKILLS

Python, Excel Solver, Excel VBA, MATLAB, Minitab, SQL, R, Rockwell Arena, AutoCAD, Professional MS Office (Project, Word, PowerPoint)

LANGUAGES

Turkish: Native | English: Advanced

SOCIAL & POLITICAL ACTIVITIES

Michigan, USA | Work and Travel | Jun.-Oct. 2022

MUN Conference | 2016-2017

I am a former national team swimmer(2015-2018).
